Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The 101 rejection will be reconsider in view of the amendment of system claim 15. Applicants' representatives provided supportive evidences for the 112, first paragraph, rejection. However, the term "selecting" as in claim 1 cannot be perceived as "analyzing" as indicated in the provided evidences. The other evidences will be reconsidered by the examiner in the next communication. With respect to the rejection under 35 U.S.C. § 103, the examiner respectfully suggested the applicants' representative to define the analyzing technique in order to distinguish the claimed invention over the prior arts or record.
